...The Modern Bulb Package with BUY APPEAL

After much research and testing, STASSEN has developed the VISI-PAK. This practical and attractive bulb package which hides nothing, clearly shows the size and quality of the bulbs. We are proud to introduce VISI-PAK to you.

✓ VISI-PAKS SELL MORE BULBS FOR YOU !

The wide selection of the most sought-after varieties, with just the right number of bulbs per package, invite many additional sales.

✓ VISI-PAKS ARE ECONOMICAL—SAVE YOU MONEY !

Makes complete self-service possible. No loss of time in counting, wrapping, and labeling bulbs.

✓ VISI-PAKS ARE PRACTICAL !

No storage problem as the air-holes in bags keep the bulbs in best condition. Less customer questions to answer for planting instructions are printed on each package. Easy to handle, easy to display, VISI-PAKS take up less space.

Each VISI-PAK polyethylene bag contains just the right number of bulbs for fast turnover. The customer sees at a glance, the large size, clean, first class bulbs without opening package or needless handling — Tag shows true color picture, and gives complete description and planting facts.
